Geography

- a. [redacted] only the following corrections on the attached map of Moscow:
- (1) In Krasnopresnenskiy rayon, Zamorenova ulitsa has been extended to Trekhgornyy val.
  - (2) There is no park or recreation area (marked in green) along the center of Chaykovskogo ulitsa, running through Kiyevskiy and Krasnopresnenskiy rayons.
- b. [redacted] able to pinpoint the following installations on the attached map of Moscow. Following is the legend of these installations. Numbers in parentheses refer to numbers on the map:

50X1-HUM

50X1-HUM

- 8 -

- (1) Stadium of the Trekhgornaya Manufaktura Krasnoye Znamya Textile Factory.
- (2) Lakokraska Lacquer and Paint Plant.
- (3) Building of the raykom, raysovet and rayispolkom of Krasnopresnenskiy rayon. This is a five-story, white brick building, located on Shmidtovskiy proyezd. Small fir trees are planted in front of the building. The raysovet offices are located on the first three floors, and no pass is required for admission to the raysovet offices. Offices of the raykom are located on the fourth and fifth floors; admission to the raykom offices is by displaying a party membership card to a militia man who stands at the door of the office.
- (4) 43rd Militia Section. This is a four or five-story red-brick apartment building, with an entrance located on Mantulinskaya ulitsa. The 43rd Militia Section is located on the first floor of this building.
- (5) Krasnaya Presnya Metro Station.
- (6) Ministry of Aviation Industry, which is a 20-story building.
- (7) Square, which runs along two sides of the Ministry of Aviation Industry building.
- (8) Ministry of Defense or General Staff Building. (dom genshtaba ili ministerstva oborony) - located on the corner of Antip'yevskiy pereulok and Gogolevskiy bulvar. This is an eight-story, dark grey building. The main entrance to the building is on Antip'yevskiy pereulok, and is flanked by statues of Lenin and Stalin. Guards are posted inside the building, behind the entrance doors.
- (9) Building of the raykom, raysovet and rayispolkom of Frunzenskiy rayon. This is a two-story, old, semi-circular shaped building.
- (10) Arbatskaya Metro Station.

50X1-HUM

- 9 -

- (11) Garage of the Ministry of Defense. The entrance, which is on Zubovskiy bulvar, consists of iron gates which are guarded by sentries. A wall of the building with several small windows, faces Metrostroyevskaya ulitsa.
- (12) Park Kultury i/n Gorkogo Metro Station.
- (13) Smolenskaya Metro Station.
- (14) Biblioteka Lenina Metro Station.
- (15) Mayakovskaya Metro Station
- (16) Ministry of Armaments.<sup>2</sup> This is a five-story building, bordered with one-meter high dark granite stone. There is no sign with the name of the ministry on the doors. The office where entry passes are issued is accessible through the door located farthest away from ploshchad Mayakovskogo.
- (17) Stankolit Foundry Plant. This plant supplies castings to machine-tool building plants.
- (18) Moscow Institute for Railroad Transport Engineers, which is located at either No. 15 or 17 ulitsa Obraztsova.
- (19) Aircraft Plant No. 27 - There are two entrances on Stolyarnyy pereulok, which is cut into two sections by the plant territory.
- (20) Krasnaya Presnya Foundry Machine Plant.
- (21) Military garage of the Ministry of Defense. This is a five-story building, which is 120 to 150 meters long and 30 to 40 meters wide, and surrounded by a brick wall. The garage, used for parking of official cars, is guarded by military sentries.
- (22) Scientific Research Institute for Aviation Technology (NIITAT), which is a two-story building.
- (23) Krasnopresnenskiy Park of Culture and Rest.
- (24) Building housing the Ministry of Ferrous Metallurgy, the Ministry of Coal Industry and probably the Ministry of Petroleum Industry. This is a large, old,

50X1-HUM

- 10 -

four or five-story building, formerly known as Delovoy Dvor.

- (25) Ministry of Electrotechnical Industry. This is a new, three-story, white building, which is U shaped and surrounded by an iron fence.
- (26) Ministry of Machine-Tool Building and Tool Industry. This is a five-story, grey building, located at No. 20 ulitsa Kirova.
- (27) Ministry of the Navy (ministerstvo voyenno-morskogo flota).<sup>3</sup> It is the second building from the corner of Trekhgornyy val. This new, five-story, red-brick building, has an iron fence mounted on a brick foundation along the street. An entrance to the building on ulitsa Bolshhevistskaya, is guarded by sailors. There is no sign on the building.
- (28) Ten-year school (desyatilyetka).
- (29) Hospital and Polyclinic No. 33 of Krasnopresnenskiy rayon. This is a two or three-story building, with about 120 to 150 beds.
- (30) Ministry of Health of the RSFSR and Institute for Health Resort Studies (institut kurortologii) with clinic attached.
- (31) Therapeutic Institute of the Academy of Sciences, and Surgical Institute i/n Vishnevskiy, with clinics attached, which is located at No. 20 to 25 Bolshaya Serpukhovskaya ulitsa.
- (32) Red Army Military Hospital i/n Burdenko. This hospital, which consisted of several old buildings built during the reign of Peter the Great, had about 1,000 beds.
- (33) Moscow Machine-Tool Building Plant (moskovskiy stankostroitelnyy zavod -MSZ).
- (34) Bakery i/n Khrushchev (khlebozavod-avtomat im. Khrushcheva).
- (35)  (sberkassa) were located on the second floor of a three-story apartment building located on the corner of Trekhgornyy val and Krasnaya
